South Korea Customs visited Uruguay to sign an Action Plan

Last August 10th, the signature of the action plan between the South Korea Customs Service and the Uruguay National Customs Administration, aimed at a future Mutual Recognition Agreement, took place at 'Sala Bonet' in ADAU (Uruguayan Association of Customs Brokers).

As an introduction, a brief presentation of both countries AEO programs took place, showing details of the program, both at national and at international level, and then

representatives of both Customs Administrations proceeded to sign the Action Plan.

The plan consists of 4 stages in which the validation of each country's program is sought, culminating with the recognition of the AEO benefits to all the Authorized

Economic Operators, by both Customs Administrations.

The agreement was signed by Chan-Kie Lee, Director General for Audit Policy Bureau of the South Korea Customs Service, and CPA Guzmán Mañes, Foreign Trade Manager. To close the event, the Director General of Uruguay Customs, CPA Enrique Canon, addressed the audience to stress the importance of this event for the region, and which the following steps will be.
