Dear Director General,

I wish to express my gratitude to your Administration for hosting the Study Visit, organized within the framework of the Container Control Programme (CCP), for the port control units in Bolivia, hosted at the Port of Montevideo, from 3 to 4 February 2020. The World Customs Organization (WCO) has received very positive feedback from all the participants and from the UNODC office in Panama.

This significant accomplishment could not have been achieved without the engagement and commitment of the efforts of the Uruguay National Customs Directorate. The staff from the Port of Montevideo took good care of their Bolivian colleagues and the participants benefitted greatly from your staff's comprehensive knowledge and experience.

I look forward to continuing the fruitful co-operation between the National Customs Directorate and the WCO.
